**In The Name of God**

**Your Eminence**

I would like to express my sincere gratitude for the possibility of active participation in the Global Summit of Religious Leaders, being a part of COP29.

Deliberations of the Summit and "The Baku Declaration" are a global presentation of involvement and contribution of the religious leaders in searching for solutions to deal with climate changes and phenomena which it will cause.

Muslim Religious Union of Poland is profoundly interested in continuing the work which we have undertaken in Baku. There is a necessity to intensify work on development of inter - civilizational and interfaith cooperation.

**Your Eminence**

I declare herewith our intention to continue working with you and our Colleagues to achieve progress in these matters which are fundamental for Humankind.

I kindly request you to accept my brotherly greetings and words of profound respect.

May God bless you and your works.
